Swimming Carnival 2015

Updated on our Website this fortnight:
Principal’s report

Welcome back to 2015. I am sure that for many of you holidays are already a distant memory.

I am very pleased to see so many students in our new black shorts. For those of you who missed out due to the high level of sales, more shorts will be arriving next week as will the "cool mesh" shorts. We are waiting for samples of potential shirts and dresses to arrive; we will then ascertain student, staff and parent preferences.

In the meantime our existing yellow shirts for juniors and white for seniors are now being worn by approximately 98% of students. We have received many compliments from the community about the evident pride that our students take in wearing uniform at Coomealla High School. As always, should you have any difficulty buying uniform, do not hesitate to ring and discuss this with me.

Much work was completed around the school over the holidays. Carpet was replaced in a number of areas including classrooms and staff rooms; however, the bright green vinyl flooring in a few of our corridors will unfortunately remain until the break when it will finally be replaced. We are awaiting final plans to be delivered before we move forward to complete the refurbishment of the front (student/visitor car park). We did have a delay in the installation of the new touch screen TV’s and smart boards. However, the new brackets finally arrived last week and installation is now complete. Our new lectern has also arrived and looks magnificent. My thanks to Mrs Finch and year 12 2013 for this very worthwhile gift to the school.

Staff had a busy couple of Staff Development Days at the beginning of the year. Topics covered included: child protection, CPR, updates on recent girls education strategies, SENTRAL and WHS and a number of Technology workshops. Many staff also began the compulsory Anaphylaxis training. This will be completed by all staff at after school SDD this term (we will also offer some more technology training options). My thanks to Mrs Alderton and the current year 12’s for the delicious food that they prepared over the two days.

Year 7 and Year 9 camp preparations are once again well underway with staff and students looking forward to this annual event. I am sure we will have photos and reports to share with you next newsletter as we will with the 2015 swimming carnival held this week.

We have been fortunate that our numbers of students has remained stable this year despite a small year 7 cohort and so staffing will also remain stable.

This year we are trialling a new approach to Equity and Welfare and instead of a Head Teacher Equity there will be a Welfare/Equity team consisting of Mr Straddford, Ms Watson, Mr Gee and Mr Driscoll. At present precise role descriptions are being formalised. My sincere thanks to Mr Gee for the work he undertook whilst Head Teacher Equity in 2014.

Finally I would ask that you all put March 24th in your diary. This will be a "meet and greet" parent teacher night and whilst there will not be a formal written report it will be a great opportunity for parents to meet their children’s teachers. A free BBQ will start the event at 5.30 followed by informal meetings in the hall until 7.30, I hope to meet many of you there.

Best wishes for 2015

Jo Scott
Student Achievements

HSC Results

Congratulations must go out to Coomealla High students, Abbey Patterson and Rhianna Duncan, who were able to achieve Band 6 results for Hospitality, in the 2014 HSC. What makes this even more impressive was that these girls achieved these band 6 results while still in year 11.

West Darling Basketball

Congratulations to Dominic Smith from Year 11, he travelled to Broken Hill on Thursday 12th February to attend West Darling Basketball Trials. At the conclusion of the trials Dominic was selected in the West Darling Boys basketball team. This team consists of Students from Broken Hill HS and Willyama HS, as well as Dominic. The team will be participating in the NSW Combined High Schools selection trials for the state team in week 2 of term 2. We congratulate Dominic on his selection and wish him good luck for the next level of competition, he will be opposing some very talented athletes. This is a fantastic opportunity for Dominic and we would encourage all students to take advantage of opportunities to excel on the Sporting field of their choice.

Science Report

2015 is going to be another exciting year in Science.

Welcome to Ms Winckel, who has agreed to job share with Mr Fratti for 2015. This will be a great opportunity for students to benefit from the broad range of knowledge and experiences that both teachers have.

The Australian Curriculum was partially introduced in 2014, in year 7 and year 9. 2015 is the first year where all stage 4 and 5 classes will follow the national curriculum. This requires our students from year 7 to year 10 to complete a minimum of eight, four week units, as well as assessment tasks, in less than forty weeks of work time at school.

To aid in the study of these new units, the Science Department have introduced new text books, in a slightly different manner to usual. All students will be responsible for a single text, allowing us to track damages to these books.

Science at Coomealla will allow us to realise just how exciting science is, and how important it is in our lives. We should also have another opportunity to experience the babies (pigs, sheep and goats) of the Agriculture department and its bountiful produce.

Swimming Carnival

On Thursday 18th February we had our Swimming Carnival. After the weather of the previous week, we were blessed with more pleasant conditions.

The competition in the pool was very good; with students pushing themselves to the limit to challenge their opponents in many events. The ‘Swim Thru’ events were well patronised as usual, it is incredible to watch virtually all students participating in these to gain extra points for their House groups.

Overall the day ran smoothly, this is due to the excellent behaviour and participation by students, as well as the proficiency of staff involved in the numerous duties required in running the carnival. At this stage we have the 100m events (Breast stroke, back stroke and Butterfly) to run, these will take place in week 5 when Year 9 return from camp. Stay tuned for a more detailed report once events have been finalised.

Well done to students and thankyou to all staff that assisted to make the day a success.

Mr Driscoll
Carnivals Organiser.
This year we would like to share students’ Sporting achievements in our newsletters as well as at assembly. Please feel free to share your achievements with a teacher so the whole school can recognise the successes that many of our students have outside of school.

SBAT success stories from Students and Employers
Students will receive a permission note this week on a student feedback survey. Below is more information pertaining to the survey and contact information if you have any questions concerning the survey.

Thank you  

Jo Scott
Will the school be able to identify my child from their responses?

Staff in schools will not be able to identify individual students from their responses. To ensure confidentiality, participating students will receive a unique username and password. Where fewer than five students respond to a question, the results will not be made available.

A small number of staff in the Department’s Centre for Education Statistics and Evaluation (CESE) will have access to individual student responses for the purpose of state-wide analysis. Individual students’ data will be held on a secure server with access strictly limited to CESE researchers. The researchers are interested in trends only – not in individual student responses. Individual students and schools will not be identified in any CESE publication.

What sort of analysis will be done on the survey data?

Once the surveys are completed by students, reports are prepared and in most cases are available to schools within three business days. School leaders may use the data to better understand the experiences and views of students at their school.

CESE will undertake state-wide analysis of the survey data in conjunction with existing student data held by the Department, including performance data. The results will help all schools better understand the relationship between wellbeing, engagement, effective teaching and student learning. Results from CESE’s analysis of this data will also help teachers and principals discuss what works to improve student outcomes. This supports the Department’s continuing focus on quality teaching and leadership.

The data will be retained for future analysis to help us better understand the nature of student engagement and wellbeing over time.

Can all school students participate in the survey?

Schools are encouraged to allow as many students as possible in Years 7 to 12 to participate.

When will the Tell Them From Me survey happen?

The surveys will be conducted in all participating schools between Monday 9 March and Thursday 2 April 2015 (Weeks 7-10 of Term 1).

What is the Centre for Education Statistics and Evaluation (CESE)?

CESE is part of the Department of Education and Communities. It has been established to improve the effectiveness, efficiency and accountability of education in NSW.

CESE will identify and share what works, creating new opportunities to improve teaching and learning across all education sectors.

What is The Learning Bar and what is their role?

The Learning Bar is an international education company, with offices in Australia and Canada, that specialises in school surveys and student assessments. They have been contracted by the Department to run the surveys for NSW public schools. Its survey, Tell Them From Me, is the largest national school survey in Canada, used in nine of Canada’s ten provinces. More than 2,600 schools and 1.7 million Canadian students have participated in the survey over the last nine years.

The Learning Bar has conducted surveys in Australia before, with schools helping to adapt surveys, ensuring they are appropriate to an Australian context. For purely administrative purposes, The Learning Bar will also have temporary access to identifiable student responses to the survey questions. Other than The Learning Bar and CESE researchers within the Department, identifiable student responses will not be disclosed to any other person or body other than as required by law.

P&C

Meeting Tuesday 10 March

P&C will hold their monthly meeting from 5.30 – 7.00pm on Tuesday 10 March at Coomealla High School in the Conference room. Anyone interested in being part of the P&C is welcome to come and meet the P&C committee. Year 7 and all other parents are encouraged to come and learn about the P&Cs involvement in supporting students at Coomealla High.

We hope to see you there.

ANAPHYLACTIC SHOCK

We felt that all parents would like to be aware that there is several children in school with a severe life-threatening food allergy to peanuts and nuts (anaphylaxis). This is a medical condition that causes a severe reaction to specific foods and can result in death with minutes. Although this may or may not affect your child directly, please send foods with your child to school that are free from peanuts or nut products.

Reminder:

Thongs or canvas shoes are NOT to be worn at school for safety reasons.

STUDENT PRIVACY, PHOTOGRAPHS, MEDIA and OUR NEWSLETTER / WEBSITE

There are strict rules regarding “disclosure of personal information” under the Freedom of information and Privacy Act. “Personal Information” is defined broadly and includes photographic images where an individual is identified or his or her identity is reasonably apparent from the photograph. Thus taking photographs can constitute a collection of personal information.

The position of this school, in complying with the Act is as follows:

**INFORMATION/IMAGES IN SCHOOL NEWSLETTER and WEBSITE**

All parents/carers are advised that this school will continue to highlight the achievements and activities of students of this school in the newsletter/website, both in photographic and written form. If a parent/carer **DOES NOT** want a student's name or image to appear in the newsletters, written advice of this should be sent to the principal.

**INFORMATION/IMAGES IN LOCAL MEDIA – Newspapers, Radio, TV**

As a general rule consent of a student's parent/carers will be sought when an individual student or small group of students will be identified by name, interviewed or otherwise featured in local media.

**VIDEOTAPING OR PHOTOGRAPHING SCHOOL EVENTS**

Where school events (eg concerts, sports carnivals, etc) are to be video taped by the school, parents and carers will be advised in advance and given the opportunity to not have their child included in the video.

**PHOTOGRAPHY AT SCHOOL BY TEACHERS/SUPPORT STAFF**

The school has implemented guidelines for students being photographed at school events such as socials, excursions, sport carnivals and the like. Generally, a student must agree to have their photo taken. Agreeing to pose individually or in a group will be taken as consent. Action photos of sport activity will be taken eg races.
Coomealla High School
Authority to publish form

Dear Parent, Carer or student,

Our school newsletter, annual magazine and website are important avenues for us to promote Coomealla High School within our school community.

I am seeking your permission to obtain and publish content that may identify your child/you in school communications.

Content examples include but are not limited to photographs, text, illustrations/graphics, videos, sound recordings, examples of student work.

Our school communications include but are not limited to:

- school's public website
- school newsletter (online and hard copy)
- annual school magazine
- local community newspaper / magazine
- media promotions and advertising activities
- electronic and print promotional material

If you agree, please DO NOTHING, we only wish to hear from parents/caregivers/students over 18 years who do not want their student/s/themselves involved in school promotion.

Yours sincerely

Ms J Scott Principal
